

Help our Parish family.

“Feed the Hungry””Clothe the Naked”

The difficult economic times have placed great demands on out-reach ministries to assist those in need. Parishioners have approached Parish Council and recommended that St. Anthony’s continue to be a collection site for Operation Good Neighbor on an ongoing basis.

Collection boxes will be placed at the doors of our church for donations of canned goods and non-perishable food items.

Clean, Gently used clothing should be placed in large plastic bags, securely sealed and also placed at the entrances of the church.

*Donations will be delivered to Operation Good Neighbor on **Tuesdays**, on a weekly basis, by volunteer parishioners.*

*Please reach out to our community by supporting this worthwhile project. Bring items to church on Sundays when you attend weekly Mass. **Jesus said....”Whatever you do for the least of my brothers; you do for me.”***

Your support is greatly appreciated ---- God bless your generosity!!
